*AHR Expo Record

Exhibits and 72 Educational Sessions covering a world of Equipment, Systems, Components and Technology for the AIR-CONDITIONING, HEATING, REFRIGERATION AND VENTILATION industry.

The newest and the best products are brought together into one place from around the globe to enable HVAC&R professionals who attend to find what they need. What they see, touch and learn will contribute to their success and offer solutions to tomorrow's major industry challenges:

- Energy efficiencies
- Energy saving and reclaiming
- Building Control and Automation
- Green Building design & sustainability
- Indoor Air Quality

- Alternative energy sources
